CLEP Terms and Conditions

CLEP Retest Policy

For detailed information on the CLEP retest policy, visit the CLEP website. The retest policy states that a candidate may not retake an exam of the same title within the specified wait period. If you violate the CLEP retest policy, the administration will be considered invalid, your score will be canceled, and any test fees will be forfeited. If you're repeating an exam of the same title and have a question regarding the date of the initial administration, contact CLEP Services at 800-257-9558.

Defense Activity for Non-Traditional Education Support (DANTES)-funded military examinees are eligible for only one U.S. government-funded attempt per exam title. Any retest attempts for the same exam title must be funded directly by the candidate.

Suspected Impersonation

In cases where College Board or ETS believes that someone other than the registered test taker took the test for the registered test taker and in other cases where required or permitted by law, College Board and ETS may refer the matter to law enforcement and inform the registered test taker's parents, legal guardian(s), high school (if applicable), and colleges and other institutions to which the registered test taker requested scores be sent. By registering for the test, the registered test taker specifically acknowledges, and agrees to, such disclosure.

Security Policies and Procedures

You agree to maintain the security of the exam. You may not disclose any exam questions to anyone at any time during or after the test. When you registered, you confirmed that you're aware of and agree to the CLEP Program's policies and procedures as outlined in the *Information for Test Takers* bulletin.
